# Geographic location

Corsica

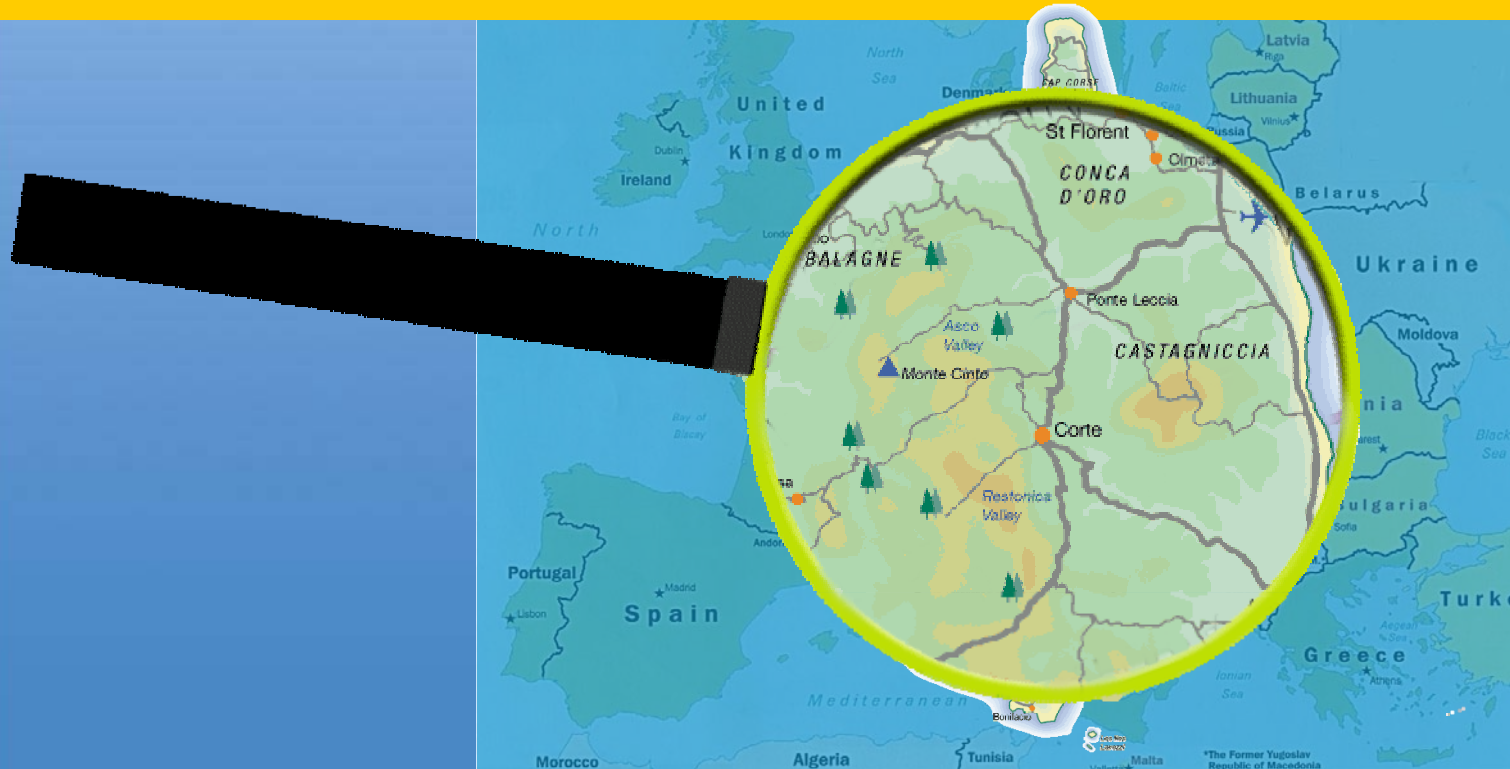

in the heart of Mediterranean area, in Europe...

Corte

In the heart of Corsica island...

University of Corsica

In the heart of Corte...

# Geographic location

Corte :  
In the heart of Corsica

Calvi

Bastia

Corte

Ajaccio

Porto Vecchio

Bonifacio

Establishment

In 1765

Closed in 1768

Reopened in 1981

Number of  
Students

4 000 students  
12 % foreign students

⇒ *Objective :*  
*6 000 students in 10 years*

Staff

200 teachers and researchers

100 administrative staff

Five  
Schools:

Three  
faculties

- Letters, Languages, Arts and Humanities
- Science and Technology
- Law, Economics and Management

Two  
institutes

- Business Management (I.A.E)
- University Institute of Technology (I.U.T)

Educational  
programs

80 diplomas

Research

Institute of Environment (I.E.)

Faculties of Sciences and  
Technology

I.U.T.

Environment Institute  
Research laboratories  
Information and Guidance  
Service  
Sports Facilities  
Cafeteria  
Accommodation

## New Buildings

New Library

Opening  
in 2008

3<sup>rd</sup> Campus

Opening  
in 2015

## Investment

100 million euros

# Educational programs

Integration into the european area of higher education

3 diplomas (Bachelor – Master – Doctorat)

Harmonization of european diplomas

Students mobility between european universities

From 2004:  
Bologna Process

Level of  
Degrees

**Bachelor**

6 semesters in 3 years

**Master**

4 semesters in 2 years

**Doctorat**

5 fields of  
Educational  
programs

Sciences & Technology

Economics & Management

Law

Letters, Languages, Arts and  
Humanities

Sciences, Technology and  
Sportive Activities

Degrees

31 Bachelors

26 Masters

3 fields in  
Doctorat

1<sup>st</sup> year of  
medical studies

# Masters Degrees

## Sciences and Technology

Organic Quality

Environment Management

Environment Physics

Mathematics of fluids

Information Systems

Computer Sciences

Management of Sportive activities

## Economics & Management Sciences

Regional Economy

Sustainable Tourism

Management

## Law

Law of territorial collectivities
